by and between
the Wisconsin Department of Workforce Development
and
«Field1»

The Wisconsin Works (W-2) and Related Programs Contract and Amendments to the Contract are amended to increase Job Access Loan funding.

1. Increased Funding

Increased funding is available to the W-2 agency for the period beginning January 1, 2004, and continuing through December 31, 2005, for Job Access Loans (JAL) due to the return, to the W-2 agency, of JAL repayments and the Department's collections through the use of tax intercept. The increase amount of \$«Field2» is in accordance with Division Administrator's Memo #04-17.

2. Monitoring Expenditures

The Department will review expenditure patterns on a quarterly basis, beginning with the reports available for the period ending December 31, 2004. In situations where the W-2 agency's spending is at twenty percent (20%) or less of its contract-to-date amount (using a straight line amount for monthly expenditures), the Department and the W-2 agency will discuss a reduction in the agency's JAL allocation. The amount decreased will be determined in accordance with the discussion and the agency's use of the JAL funds. The JAL funds awarded in future allocations may be reduced accordingly.

3. Other Terms and Conditions

All other terms of the Contract continue except as amended in this Amendment.
